What does Friday afternoon look like for you? We might be able to catch Mike then, but I wasn't sure if you flexed Friday.

Kent,

Is there anyone else we can discuss this with? The Corps would like this input as soon as possible.

Hi Gary,

I found out that Mike Lee is in training all week in Denver. Can we set up a call the week of November 11th. I am out in the field all of next week in New Iberia. LA.

Thanks.
